This image shows a handwriting practice sheet with 10 rows. Each row is defined by three horizontal lines: a solid top line, a dashed middle line, and a solid bottom line. The space between the middle and bottom lines is divided into 12 equal-width squares. Each square contains a dashed 'X' shape, formed by two diagonal lines intersecting at the center, intended for tracing practice. The first square in each row is shaded light blue, while the remaining 11 squares are white.
